WORK EXPERIENCE

Research & Development Engineer

May 2022 - Present

Ford Motor Company, Essex Engine Plant • Windsor, ON

Powertrain Engineering Research and Development Center (PERDC)

- Lead, facilitated and assisted with engine testing, battery testing, as well as electric motor testing to further develop EV solutions and research capabilities through various state-of-the-art test methods, involving pre/post-test analysis
- Developed a data visualization tool for monitoring facility-wide resource usage
- Designed and implemented automation solutions, integrating local servers and cloud-based platforms including Microsoft PowerApps and Power Automate

Research Assistant

August 2020 – May 2022

Ford Motor Company, Essex Engine Plant • Windsor, ON

Powertrain Engineering Research and Development Center (PERDC)

- Assisted in designing a facility-wide data backup system to ensure zero data loss
- Prepared, preprocessed, and organized engine test data for R&D engineers

Graduate Teaching Assistant

September 2020 – September 2021

University of Windsor • Windsor, ON

- Analyzed and marked weekly assignments, labs and course examinations providing thorough feedback to ~55 students each time through tutorials

Teaching Assistant

September 2017 – September 2020

University of Windsor • Windsor, ON

- Coordinated with a remote professor, an online course of 250+ students
- Provided one-on-one support to students via office hours and email

Desktop Support Analyst Co-op

May 2018 – August 2018

Pernod Ricard • Windsor, ON

- Lead a project for deploying devices to end-users, registering them on the active directory, enrolling them with group policies, configuring software and profiles
- Responded promptly and effectively to support local and remote tickets in the queue, serving end-users across the country for various software-related issues
- Implemented team-wide usage of OneDrive and cloud-based applications

VOLUNTEER EXPERIENCE

Youth Co-Leader & Website Administrator

August 2017 – Present

St. Simeon's Melkite Catholic Church • Windsor, ON

- Designed, configured parish website with various user interactive components
- Established a group of 20+ young adults, holding bi-weekly meetings, activities
- Worked as a team member and leader to maximize attendance at meetings
- Planned events to fundraise for our annual *Canadian Melkite Youth Convention*
